

King of the Hill- A fun but competitive way to get your car out....

\$20 buy in. \$20 buy back first round only- losers bracket

Cars will be divided into 2 categories by E.T. 8.0 and faster and 8.5 and slower. Know where you run, or we will time you that day to find out. Drivers will draw for line up. Drivers will decide amongst themselves if they need to negotiate for handicap (car lengths) or heads up start. Racing will be done by arm drop start.

First one across the finish line advances to the next round.

The Final race winner gets 100% of the pot.

Several rounds will be run and available.

Throw in another \$20.00 for the next round and it starts all over

Snideo merchandise and food ticket for King(s)

This can be run as many times as there is interest. Register with Mike on the ice.

Basic safety rules strongly enforced- Helmet, Seat belts, fire extinguisher, and arm restraints if open bodied or no glass.

We will be tech inspecting you prior to taking the ice, even before testing or time trials.
